Course Overview

The **Fraud Auditing and Forensic Accounting Course**, offered by **Magna Skills**, is designed to equip professionals with the skills to detect, investigate, and prevent fraud within organizations. The course provides a strong foundation in forensic accounting principles, fraud risk assessment, and the use of auditing techniques to uncover financial irregularities.

Through practical case studies and real-world applications, **Magna Skills** enables participants to develop investigative skills, analyze financial evidence, and support legal and disciplinary processes. This course is ideal for professionals in government, NGOs, and the private sector who are responsible for financial oversight, compliance, and ensuring transparency and accountability.

Course Outcomes

By the end of this course, participants will be able to:

1. Understand key concepts in fraud auditing and forensic accounting
2. Identify common types of fraud and financial crimes
3. Apply techniques to detect and investigate fraud
