Course Overview

The Advanced Public Administration and Management course offered by Magna Skills is designed to provide experienced professionals in the public sector with advanced knowledge and skills to navigate complex challenges in public administration and management. This course delves into advanced concepts, strategies, and practices in public governance, policy formulation, organizational leadership, and stakeholder engagement, empowering participants to drive organizational excellence and societal impact.

Course Outcomes

1. **Advanced Public Governance:** Deepen understanding of governance frameworks, theories, and models, and explore strategies for effective governance in the public sector.
2. **Policy Analysis and Formulation:** Develop advanced skills in policy analysis, formulation, and evaluation, and learn to address complex policy issues and challenges.
3. **Organizational Leadership and Change Management:** Enhance leadership capabilities to lead organizational change, foster innovation, and drive performance excellence in public sector organizations.
- 4.

Strategic Planning and Performance Management: Learn advanced techniques for strategic planning, performance measurement, and results-based management to achieve organizational goals and outcomes.

5. **Stakeholder Engagement and Collaboration:** Explore strategies for effective stakeholder engagement, partnership building, and collaboration to address societal challenges and enhance public service delivery.
