## Course Overview

Magna Skills presents the **Tender Management Procedures** course to provide professionals with the knowledge and skills needed to navigate the tendering process effectively. The course focuses on every stage of tender management, from preparation and advertising to evaluation, awarding, and post-award monitoring. Participants will learn to ensure compliance with procurement laws, achieve transparency, and maximize value for money in public and private sector procurement activities.

Suppliers will seek to optimise their return and need to be engaged in a way that ensures an appropriate relationship for the short and long term. Having the right knowledge and skills in tendering, procurement and negotiation is essential for any organisation to be successful, and requires appropriate planning and preparation rather than luck and optimism

## Course Outcomes

By the end of this course, participants will be able to:

1. **Understand Tendering Frameworks:**
  - Grasp the principles, policies, and legal standards governing tenders.
  - Differentiate between various tendering methods (open, restricted, negotiated).
