Course Overview

Magna Skills offers the **Call Centre Management and Customer Service** course, designed to equip professionals with the skills to efficiently manage call centre operations and deliver exceptional customer service. This course provides insights into call centre technologies, performance metrics, staff management, and customer relationship management strategies. Participants will also develop the ability to handle customer interactions professionally, resolve issues effectively, and foster lasting customer relationships.

Course Outcomes

By the end of this course, participants will:

- Understand Call Centre Operations:**
 - Gain knowledge of call centre technologies, workflows, and industry best practices.
 - Learn how to align operations with organizational goals.
-

Develop Effective Management Strategies:

- Master techniques for staffing, scheduling, and performance monitoring.
- Enhance team productivity through coaching and leadership.

3.

Enhance Customer Interaction Skills:

- Improve communication skills for handling diverse customer needs.
- Learn to manage difficult customers and resolve complaints effectively.

4.

Monitor and Analyze Performance Metrics:

- Use KPIs to assess call centre performance and implement improvements.
- Understand customer satisfaction metrics and feedback systems.

5.

Implement Customer Relationship Management (CRM):

- Integrate CRM tools for managing customer information and interactions.
- Develop strategies for fostering loyalty and repeat business.

Course Outline / Curriculum
