Course Overview

Networking is unavoidable in modern society. Many people focus on external networking, but the networking process must be used with the company in order to be truly effective.

By following the information outlined in this publication, you will be able to network effectively and reap the rewards that come with making connections within the organization.

Course Outcomes

Research has consistently demonstrated that when clear goals are associated with learning, it occurs more easily and rapidly.

At the end of this workshop, participants should be able to:

- Define networking
- Understand networking principles
- Use networking tools
- Avoid common mistakes
- Understand how to build relationships
- Manage time successfully
