Course Overview

This **Risk Assessment and Management** course by **Magna Skills** is designed to equip professionals with the knowledge and skills to identify, evaluate, and mitigate risks across various organizational contexts. The course focuses on practical tools and frameworks for assessing risks, developing risk management plans, and fostering a proactive risk culture. Through interactive sessions, real-world case studies, and hands-on exercises, participants will learn how to safeguard organizational objectives, ensure compliance, and enhance decision-making in both public and private sector environments.

This course is ideal for managers, auditors, project officers, compliance officers, and anyone responsible for organizational governance and control.

Course Outcomes

By the end of this course, participants will be able to:

1. Understand the principles and frameworks of effective risk management.
2. Identify and analyze potential risks affecting organizational performance.
3. Develop comprehensive risk assessment and mitigation strategies.
- 4.

Implement monitoring and reporting mechanisms to manage emerging risks.

5. Foster a culture of risk awareness and accountability within their organization.
